

SLOLEY PARISH COUNCIL

CLERK'S REPORT DEFIBRILLATOR SIGNAGE

Parish Council Meeting

26th March 2026

Prepared by: Anne Tandy, Locum Clerk to the Council

Date: 20 March 2026

Item 8a

I have contacted a couple of local businesses for a quote and only one has responded with a fixed price of £70.00

However, something suitable can be purchased from Amazon for £9.99.

To use this option an agreement on wording will be needed and other details which are additional costs:

I would suggest to following wording:

“This defibrillator was purchased by Sloley Parish Council.

It was generously installed by Trevor Wright Electrical Limited with kind permission of Sloley Methodist Church.”

The background colours available are white, blue, yellow, red, black and green.

Text colours available are the same.
